

Contigno Countertops warrants Tesora Granite to be free of manufacturing defects from the date of installation when fabricated and installed in private single-family residences by an authorized Contigno Fabricator. This Residential Lifetime warranty is limited to the original purchaser of the Tesora Granite installation. In newly constructed single-family residences where Tesora Granite has been installed, the warranty is available to the original owner and resident and is non-transferable. All decisions regarding this warranty are at the sole discretion of Contigno Countertops. No representative, dealer, salesperson, distributor, fabricator or other persons are authorized to make any warranty or promises on behalf of Contigno Countertops with respect to Tesora Granite products. If it is determined by Contigno Countertops that Tesora Granite materials failed due to a manufacturing defect, Contigno Countertops will, at its sole discretion, repair or replace such materials. Contigno Countertops will strive to obtain the best possible resolution. The decision to repair or replace is at Contigno's sole discretion and an exact color match is not guaranteed.

- Spots or blemishes on mono colors smaller than a U.S. ten (10) cent coin and on multicolored materials smaller than a U.S. Quarter (25) cent coin. A certain level of spots or blemishes are inherent in the manufacturing process and do not affect Siena's structural integrity or performance therein.
- Tesora Granite materials contain important product information on the back of each slab. Removing this product information will void the warranty.
- Contigno Countertops is not responsible for damage or injury caused in whole or in part by acts of God, job site conditions, and architectural/engineering design, and structural movement, acts of vandalism or accidents.
